

UNITED WAY
Northwest Illinois

2024.2025 IMPACT REPORT

United for
IMPACT

We aspire to be the critical link which brings together our diverse communities to build stronger, healthier, and more sustainable communities as cost effectively as possible.

OUR FOCUS AREAS

YOUTH OPPORTUNITIES

- Every child has access to a high quality early learning environment
- All families are stable and maintain a nurturing home environment
- All children have access to literacy based programs that have been proven to increase reading skills, which are important to their success in school and work.

HEALTHY COMMUNITIES

- Individuals/families attain a good quality of life, healthy development and healthy behaviors across all stages of life.
- Individuals receive the support necessary to manage disease and live well.

FINANCIAL SECURITY

- Working individuals and families have access to quality training and skill development to increase income and improve financial stability.
- Help students build a future plan by connecting school to real life opportunities that positively impact their academic achievement, classroom engagement, and career and life success.
- Develop a social and financial support network to break the cyclical patterns of poverty and increase financial stability.

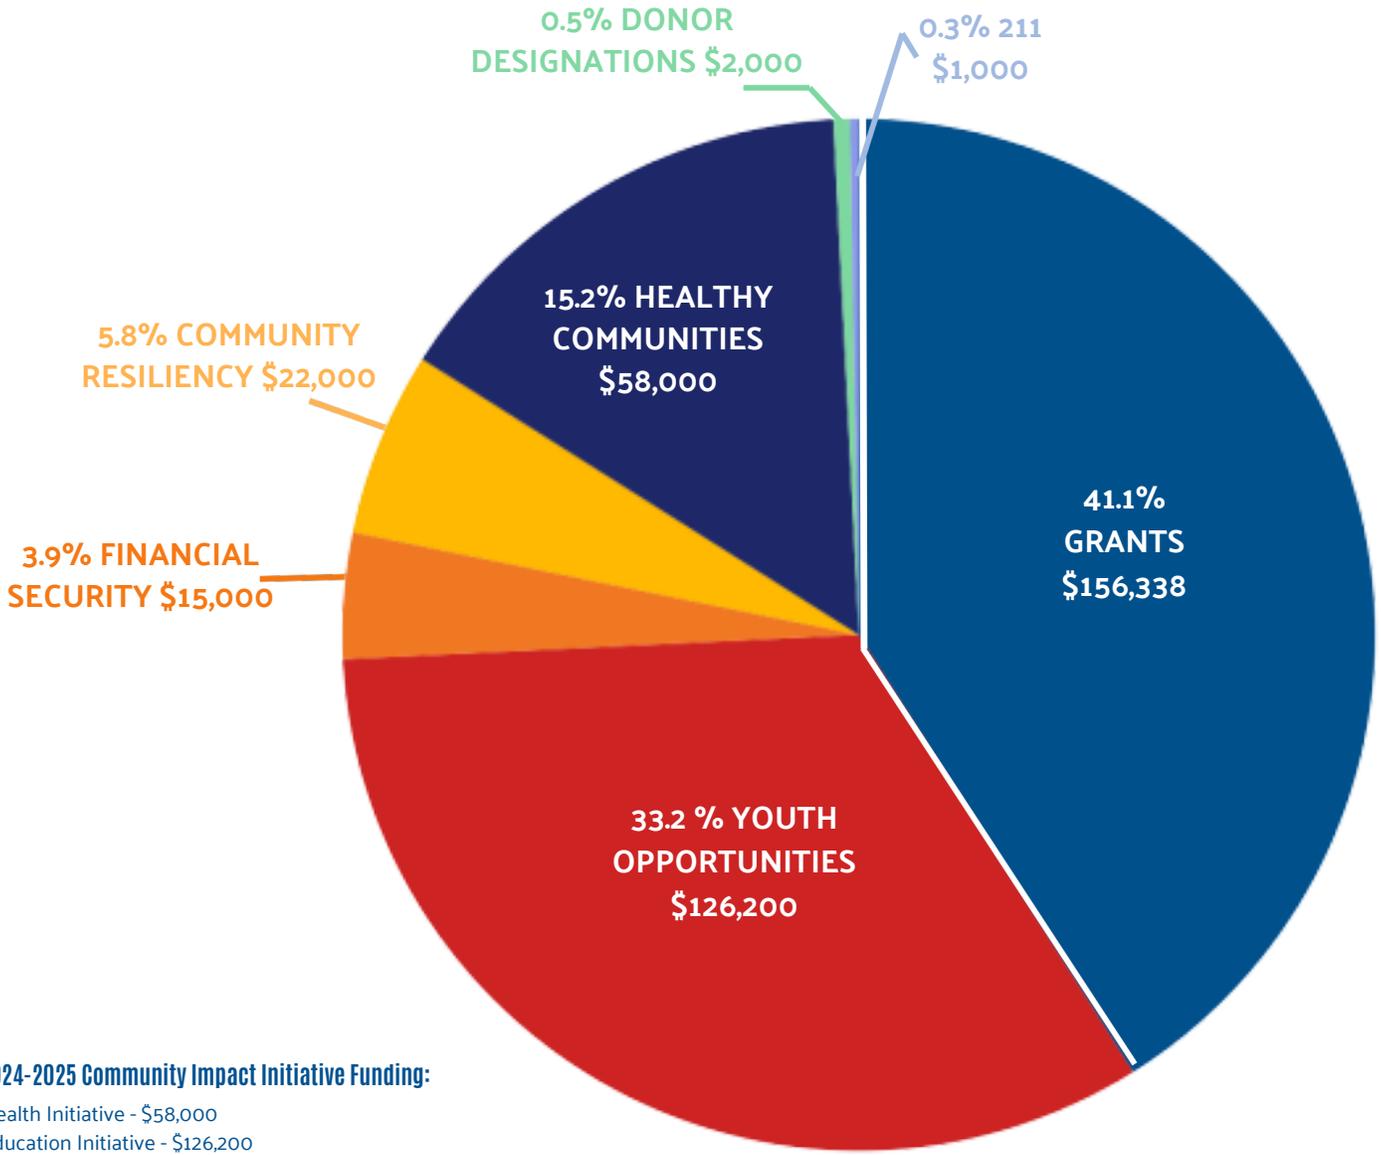

COMMUNITY RESILIENCY

- Increase community safety and stability through **food**, and **housing**

- Education Initiative - \$126,200
- Basic Needs Initiative - \$23,000
- Financial Security Initiative - \$15,000
- 211 Stephenson, Jo Daviess, Carroll Co. - \$1,000

2024.2025 IMPACT AT A GLANCE

41.7%

of all residents in Jo Daviess, Carroll & Stephenson counties were served through United Way programs.

\$222,200

in funding for Community Impact Initiatives.

YOUTH OPPORTUNITY

Born learning trail

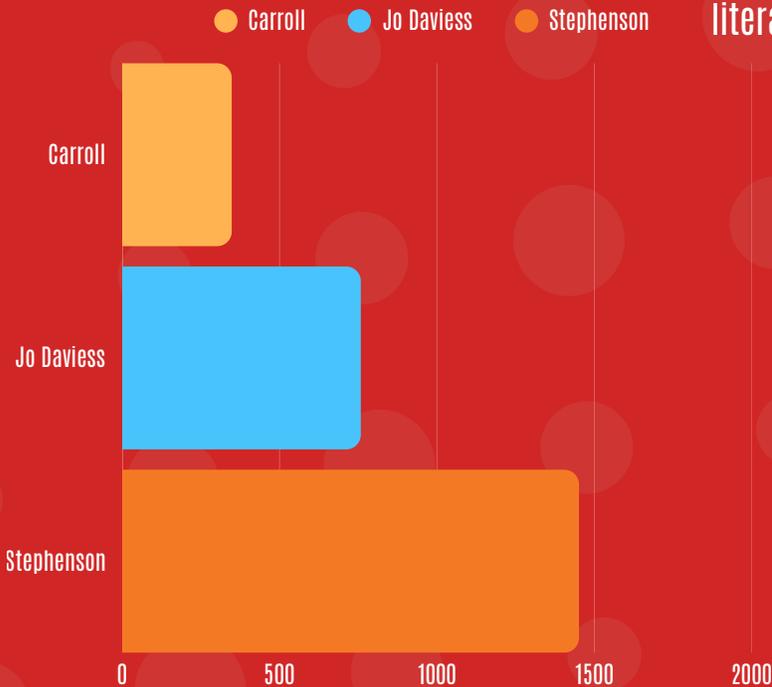

The initiatives supported by United Way empower young people with early education initiatives, skills, and mentorship to help them succeed in school, work, and life.

United Way's Education Initiative focuses on supportive communities, effective schools, and strong families – strategies and approaches rooted in research.

United Way champions youth mentorship and essential literacy skills by focusing on closing the literacy opportunity gaps through targeted initiatives that provide equitable literacy resources, guidance and education interventions.

Children Served by County:

- United Way prioritizes high-quality out-of-school (OST) programming as a crucial component of our comprehensive approach to preparing every young person for success.
- We collaborate with the Early Childhood Consortium and provide childcare spaces for low-income families.
- By taking a comprehensive approach to enhance early childhood development, we improve childcare center quality and access.
- We support parents, caregivers, and communities to create early learning opportunities for young children.

“It would be better for my family if both my husband and I worked, and I want to work. But with no child care in our community, I have no choice but to stay home with my preschooler.”

-Community Member,

Jo Daviess County from Birth to 5 Illinois

Finding and affording childcare is a critical part of families staying on their feet. United Way funds multiple early childcare programs that assist with childcare allowing parents to work and remain self sufficient.

FINANCIAL SECURITY

We help individuals and families achieve long-term stability and independence.

Under the Financial Security initiative, the United Way of Northwest Illinois' goal is to increase resiliency in our communities by providing services that equip families and individuals with the tools and resources to stay or become economically independent.

The Teens in Transition and Fast Track programs funded by United Way worked to address the root causes of systemic racial inequality by providing equitable access to critical transition services for youth with disabilities—particularly students of color who are often disproportionately affected by educational and economic disparities. Of the 66 students served through this funding, 42 identified as Black, 23 as White, and 1 as Hispanic.

By delivering these programs directly within schools in Stephenson County, RAMP eliminated common access barriers related to transportation, cost, and awareness barriers that disproportionately impact students of color. The curriculum emphasized not only job readiness and independent living skills but also self-advocacy, education rights, and confidence-building; empowering students to navigate and challenge the systems that have historically limited their opportunities.

Through the RAMP Teens in Transition program:

94%

of students increased their knowledge of independent living options

86%

of students increase their job readiness skills

93%

of students increased motivation for employment

COMMUNITY RESILIENCY

We connect people with the resources they need to navigate crisis and build stronger, more resilient communities.

United Way believes every community deserves to thrive. We work with our neighbors to create well-connected, supportive communities that can respond to any challenge. We funded programs with Freeport Area Church Co-op for safe and reliable housing, NICA/Golden Meals to assist in feeding seniors, and 211 a resource hotline for residents seeking assistance programs.

- Freeport Area Church Co-op kept the Chicago Avenue Mission open 24/7 providing safe shelter which was made possible by United Way
- NICA Senior Services, Golden Meals, offers home delivered meals to those who are home-bound or otherwise unable to attend congregational meals
- United Way supports 211, a free, 24/7 hotline that connects people to locally available resources.

Understanding 211

When in crisis, it is challenging to know where to turn to for help. Sometimes it can be difficult to locate assistance programs or to even know what is available. This is where 211 and United Way step in. 211 ensures all Illinois residents have access to free and confidential recourse assistance services. Residents can contact 211 by call or text. Trained representatives assess needs, refer to local organizations and programs available, and report their findings to better assess needs and recourses in the future.

United Way's Role

Through United Way's experience innovating to meet community needs, forming relationships with local nonprofits, businesses, and community leaders, we're uniquely positioned to bring our community together to understand problems, co-create solutions, and manage accountability for the best results.

HEALTHY COMMUNITY

Promoting safety, independence, and access to care for all ages.

The Domestic and Sexual Violence Safety Coalition is a network of community partners focused on providing services to those affected or at risk for abuse, violence, neglect, and/or exploitation in our community.

The Girl Scout Leadership Experience (GSLE) provides developmental, academic guidance, and mentorship to at-risk & underserved girls in Freeport and surrounding areas that encourage participants to learn to create and maintain healthy relationships with their peers.

The Safety & Access Change Initiative (SACI) partners Voices, Ramp, and Tyler's Justice Center

Safety and Access Change Initiative envisions a community aware of and acknowledging domestic violence, dating violence, and sexual assault where agencies and systems are safe, accessible, inclusive, and collaborative in order to enhance best practices in the provision of services and support for survivors with disabilities and Deaf survivors.

The Outcomes:

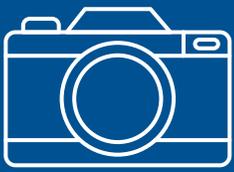

The Safety and Access Change Initiative increased agency-to-agency communication, cooperation, and familiarity amongst the partner organizations which aided in improving the success of survivor-centered referrals, sharing of resources, and collaboration within the local community.

The SACI initiative is making systemic changes and improving survivor access in Stephenson, Jo Daviess and Carroll Counties.

Community Snapshots

At United Way, we know that building community well-being is a team project. That's why we're constantly working to engage community members and local businesses in volunteerism - mobilizing the caring power of our community to create lasting, generational change.

The Girls Who Rock Pearls at Freeport Middle School is a collaboration between United Way, FSD145 and VOICES. PEARLS stands for Positive, Empowerment, Awareness, Respect, Leadership, and Success.

Girls Who Rock Pearls!

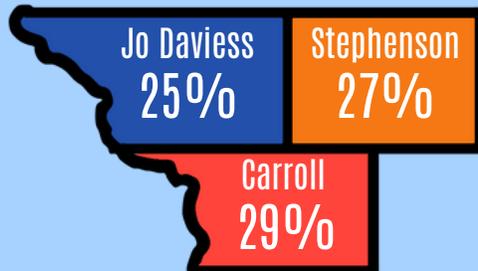

2025 saw another successful Day of Action with over 100 Volunteers and 10 locations.

Celebrity Dinner netted over \$21,000 thanks to our sponsors and guests. Proceeds from the Celebrity Dinner help fund the UWN's Community Impact Initiatives in Stephenson, Jo Daviess, and Carroll counties.

Our A.L.I.C.E., Asset Limited, Income Constrained, Employed population is growing in our region. A.L.I.C.E. represents households in the U.S. who earn more than the Federal Poverty Level but not enough to be economically secure. A.L.I.C.E. is the population that our United Way Initiatives support and your investment provides funding for programs that are crucial to these individuals through our Community Resiliency funding.

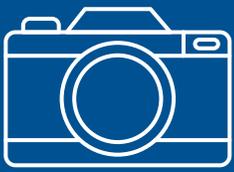

% of A.L.I.C.E. households

The United for ALICE reported that as of 2023, 25% of Jo Daviess, 27% of Stephenson, and 29% of Carroll counties met the criteria for being Asset Limited, Income Constrained, Employed (ALICE)

Community Snapshots

The Born Learning trail installed in Shannon is our third and most recent installation. Born learning is an innovative public engagement campaign that helps parents, caregivers, and communities create quality early learning opportunities for young children. Each Born Learning Trail contains 10 interactive signs with activities for adults to engage in with young children to turn an outdoor trip into a fun learning experience.

The Lincoln-Douglas 5K, One-Mile Fun Run, and Kids Races combines a fun, fast, and competitive 5K race with a 1 mile Fun Run and series of Kids Races that ultimately crowns the "Fastest Kid in Town".

Through a Healing Illinois Grant we were able to bring in a consultant to work with community leaders and community members to focus on housing issues and concerns in Freeport.

Born Learning Trail!

Lincoln-Douglas 5K!

United Way attended the Resource Fair at Freeport Middle School. This was the second year of the Resource Fair which aims to connect families with local programs for mental health, financial, and early childhood assistance. United Way raffled off two backpacks with books and supplies with 75% of raffle entrees also signing up to be volunteer candidates.

United Way of Northwest Illinois awarded Platinum Transparency by Candid and Four-Star Charity on Charity Navigator.

Celebrating 75 years!

This year, United Way of Northwest Illinois celebrated 75 years of community impact!

Because of volunteers and supporters like you, we've been able to uplift our community for 75 years. Thank you for helping us build a brighter future together.

"Each month, our son gets excited to see his new book in the mail. Each time a new book comes, he eagerly awaits bedtime so we can read as a family. The Dolly Parton Imagination Library has helped to get our son excited about reading and begin a little tradition for us to have a monthly family reading night when a new book comes."

-Anonymous DPIL Parent

HOW YOU CAN HELP:

Give

United Way combines your contribution with donations from others and invests in proven programs making a real, measurable impact.

Advocate

United Way brings together partners and passionate individuals to advocate for the people of Northwest Illinois through policy and regulation changes at the state and local levels.

Volunteer

United Way coordinates volunteer activities for Northwest Illinois programs and projects that support community initiatives in our region.
